Dormition of the Holy Mother of God

Beloved Members and Friends of Holy Cross,

Christ is in our midst!!! He is and shall always be!!!

I greet you on this somber, yet joyous feast of the death of our Holy Mother of God. When we think of death and physical separation from our loved ones, we are saddened and weep. Yet our sorrow is not without hope, "for through the cross, joy has come into all the world." Through the death and resurrection of our Lord and Savior Jesus Christ, death has become a pathway to life with Him. We rejoice, knowing that the Panagia, the saints, and our departed loved ones, who have sought to love the Lord throughout their lives, are very much alive in Christ! They have run the race of this temporary life, they have fought the good fight, and now receive their reward for their sacrifice of love.

It is my joy to announce the "First Annual Michael Megaludis Memorial Golf Outing." This inaugural event is to both honor and remember a man (and his family) who have worked tirelessly for the up-building of God's Holy Church. Michael loved his family and he enjoyed sports, especially to see his grandchildren excel with their individual talents. As dedicated as he was to his family, Michael was equally dedicated to his spiritual family, the Church. His physical presence is certainly missed! We rejoice in the opportunity to carry on his devotion.

We invite you and your friends to join us on October 6th, 2014 at the South Hills Country Club for this outing and fellowship. Your donations and support will help continue the legacy of a man whose heart was big enough to touch us all and his example of commitment compels us to do more!

You will find enclosed a brochure explaining the golf packages and sponsorship levels available. In addition, in order to make this day a success, we are seeking donations of items for the silent auction. If you need more information, please contact Chris Pfanstiel at (412) 552-8031 or chris.pfansteil@nm.com

With love and prayers in the Risen Lord,

Fr. Michael H. Kallaur
